*Thank you for choosing Label 7 for your private event needs. We strive to provide an unforgettable event experience for you and your guests by working with you closely on a personal basis. Typically, we work with our guests on a theme that they would be looking to work from; this will help in creating a style of menu. Secondly, we work around a budget that fits your event size and requirements.*

*At Label 7, we like to keep our business within our community. We source as many of our fresh ingredients local as possible. Therefore, our menu changes from season to season. Please keep this in mind when making your menu selections.*

*When choosing Label 7 to host your event, it is best to submit your requested date and time as soon as possible to ensure availability. At this time, you should also schedule a meeting to proceed in the booking process. In this meeting you will be able to discuss your menu items, budget and logistics.*
